HAVE PURE BLOOD

Hood's Sarsaparilla Makes Rich, Red
Blood.

Your heart works night and day
without a pause. It is the principal
organ of the circulation of your
blood. It is of the utmost impor-
tance that it should do its work well.
The quality and quantity of your
blood have much to do with its ac-
tion. If this fluid is pure and
abundant, your heart and other vital
organs act with more energy than
when it is defective in quality or
deficient in quantity.

Hood's Sarsaparilla makes the
blood pure and abundant. It is the
one old reliable medicine, that has
been sold for forty years, for puri-
fying the blood. There is no better
blood remedy, appetizer, stomach
tonic or nerve builder. From the
very first dose of Hood's Sarsapa-
rilla improvement begins.

Be sure your druggist gives you
Hood's, for nothing else can pos-
sibly benefit you as much and noth-
ing else can take its place. Get it
today.

Comfortable Glasses

Many persons do not buy glasses
when they need them, because they
fear the annoyance of wearing them.
Glasses skillfully fitted are as com-
fortable as carpet slippers. Instead
of an annoyance, they are a source of
pleasure and ease. No matter how
difficult to fit you are, there is a frame
or mounting here which, adjusted as
we know how to do it, will give you
the results you want.

We specialize in Comfortable
Glasses.

bothered with hurting in back and was
troubled at night and had to get up
